### Description (from the publisher or distributor)

Since Wal-Mart opened two superstores thirteen miles from Grand Saline, Texas, half of the retail businesses in Bill Quinn's once-thriving hometown have closed. But dismantling the American dream wasn't enough for this retail Goliath, and now Wal-Mart is aiming for world domination. If you've ever wanted to fight for the little guy, now's the time -- and this feisty Texas grandpa will show you how.
